Michigan Agritourism

Farms are where food comes from!

Farmers grow fruits, vegetables and grains,
and they raise animals that give us
milk, eggs and meat.

Michigan Agritourism

Farmers get up really early!

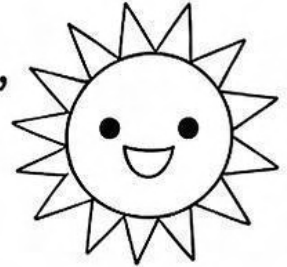

Most farmers start their day before the sun rises to take care of their crops and animals.

Michigan Agritourism

Tractors are like giant helpers!

Farmers use tractors to plow fields, plant seeds and harvest crops.

Michigan Agritourism

Horses help farmers

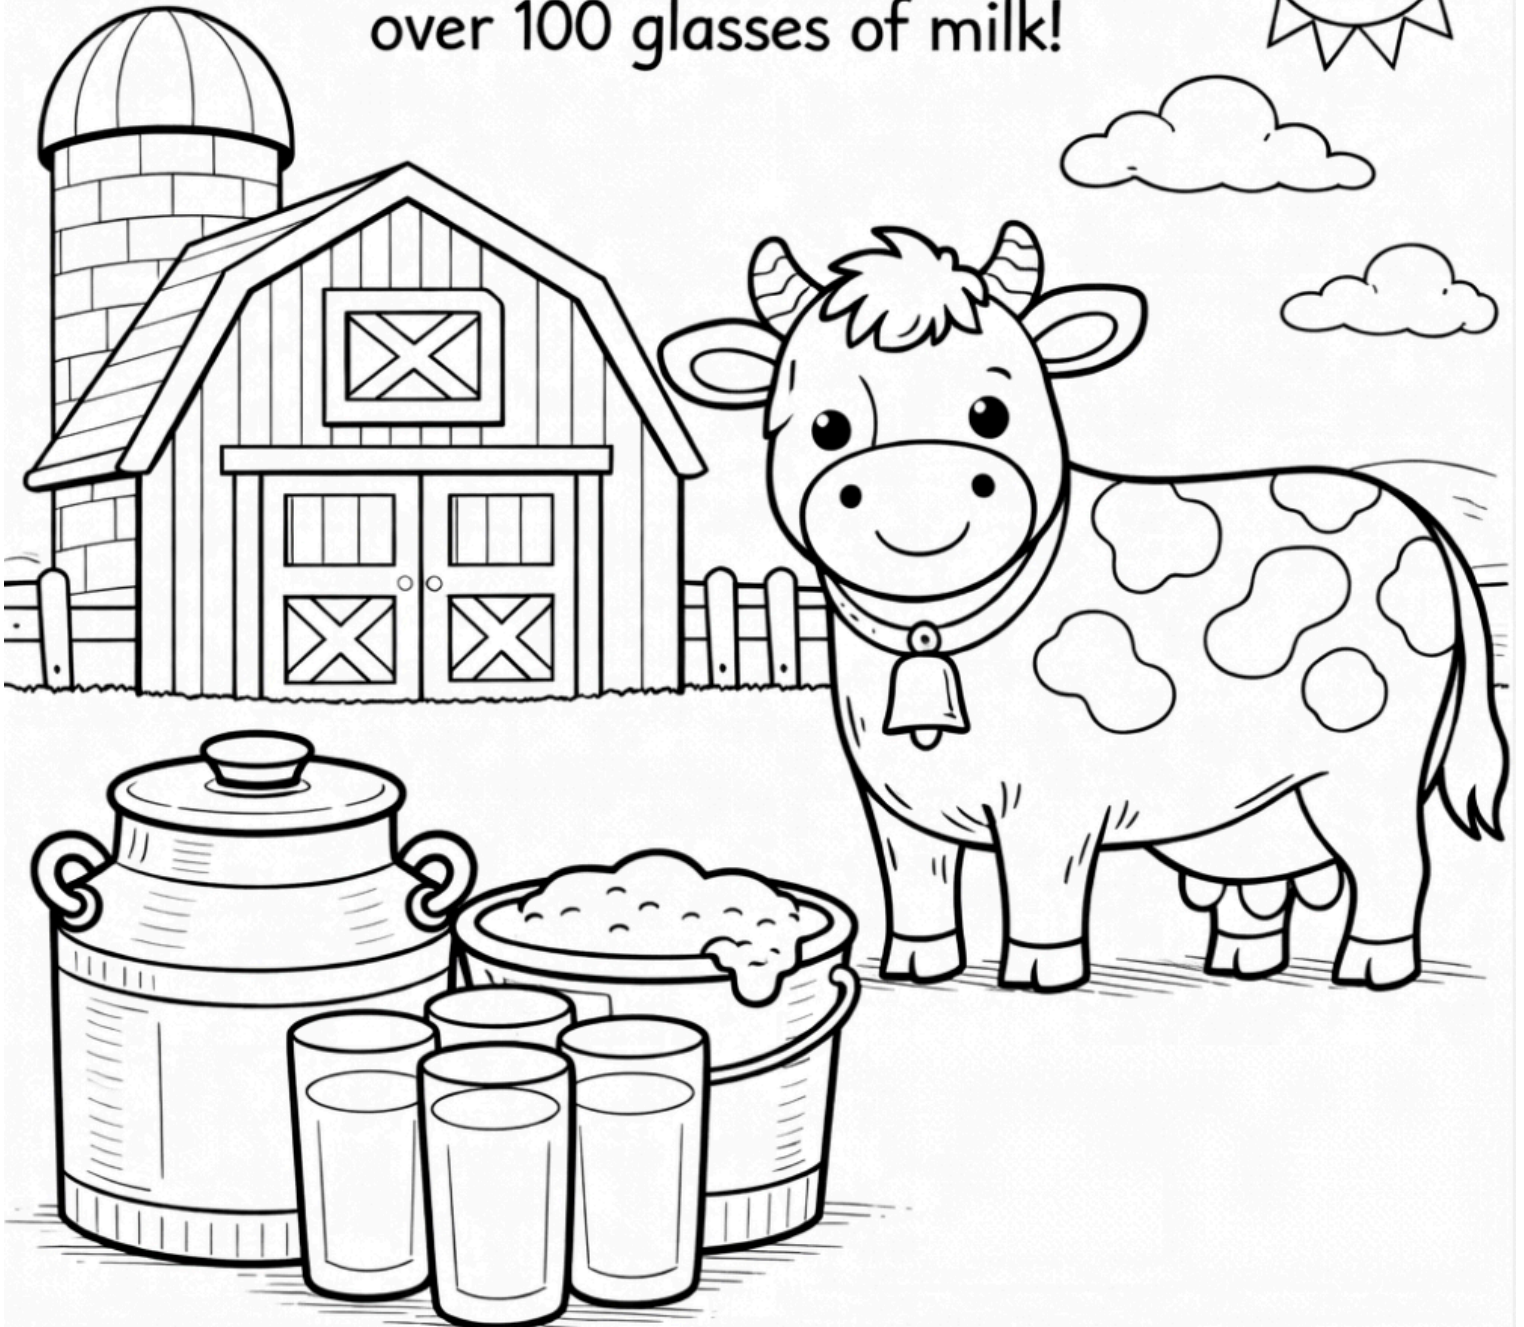

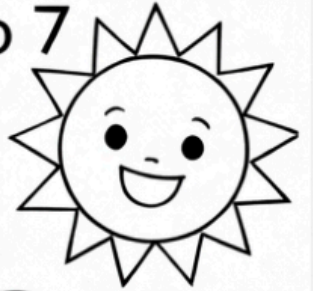

Horses help farmers by pulling wagons and carrying heavy things.

Michigan Agritourism

Milk comes from cows!

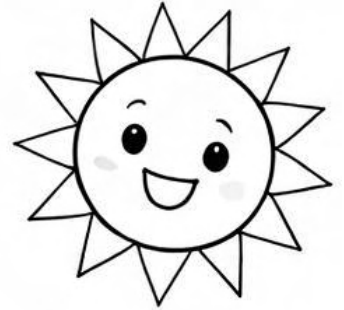

A dairy cow can produce about 6 to 7
gallons of milk every day. That's
over 100 glasses of milk!

Michigan Agritourism

Eggs come from chickens!

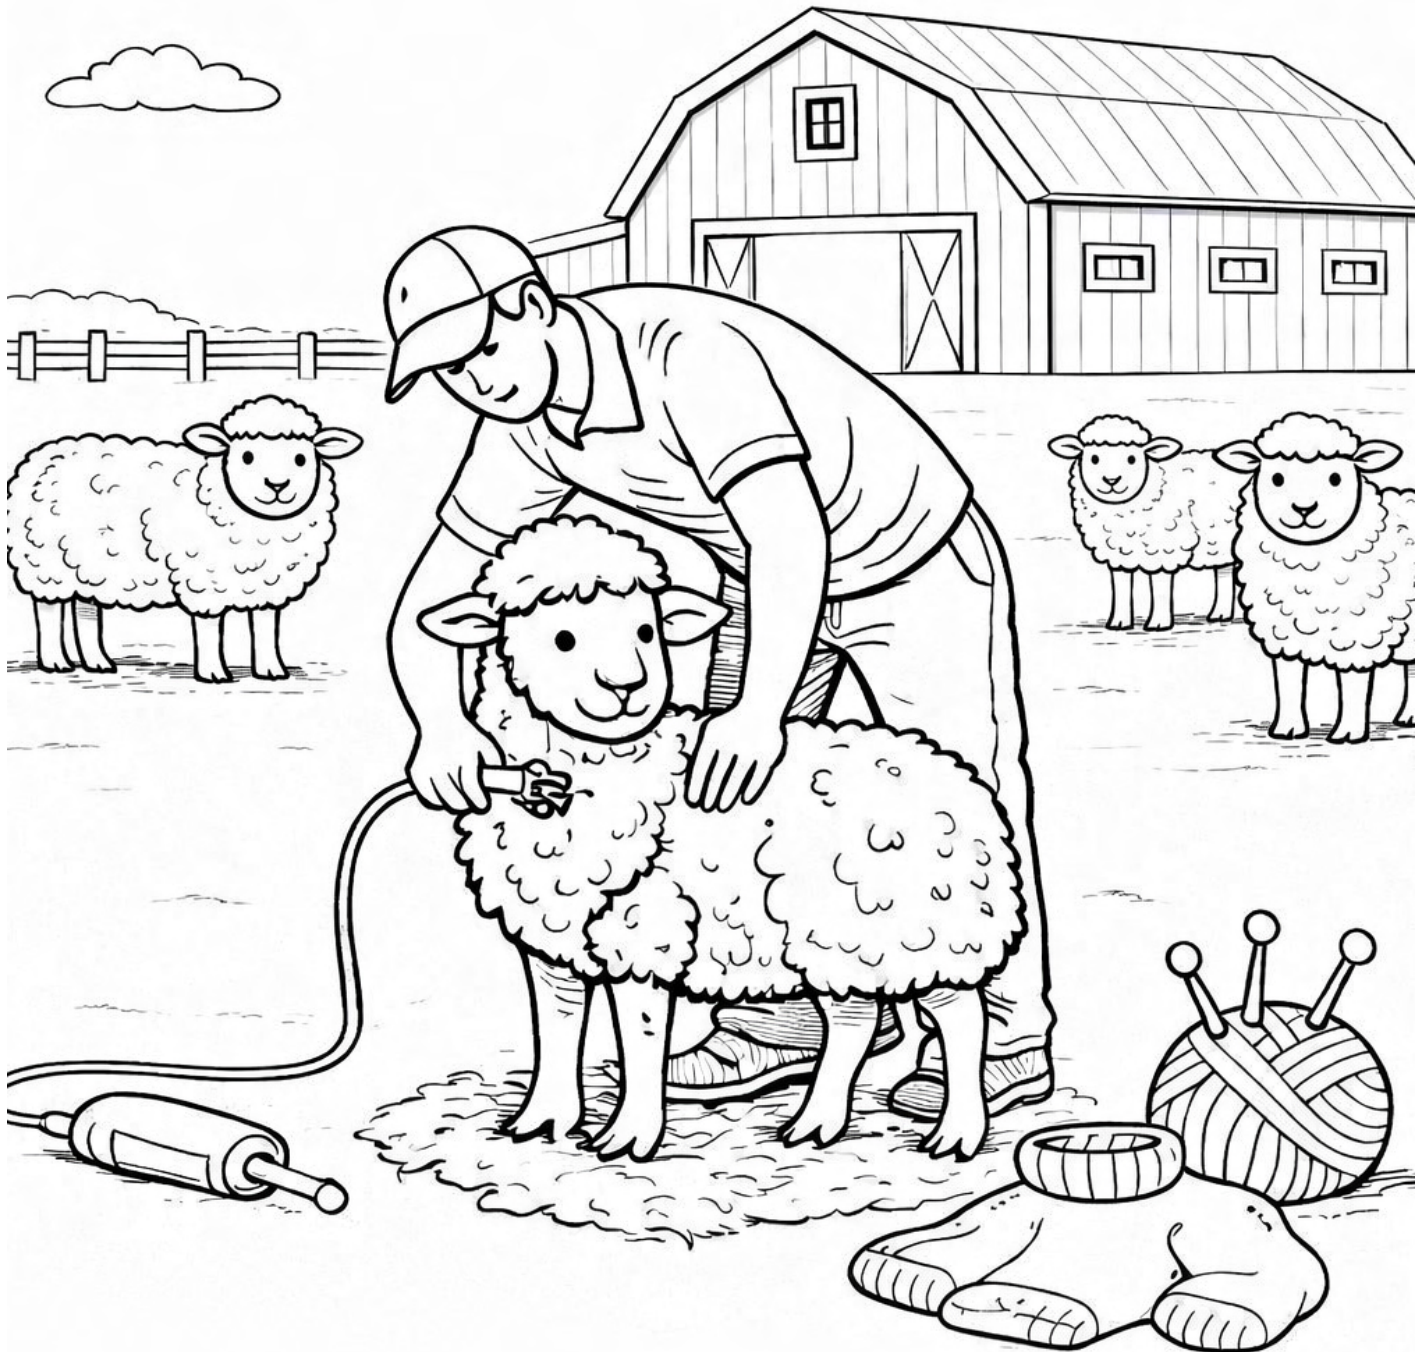

A happy hen can lay an egg
almost every day!

Michigan Agritourism

Sheep have wool coats!

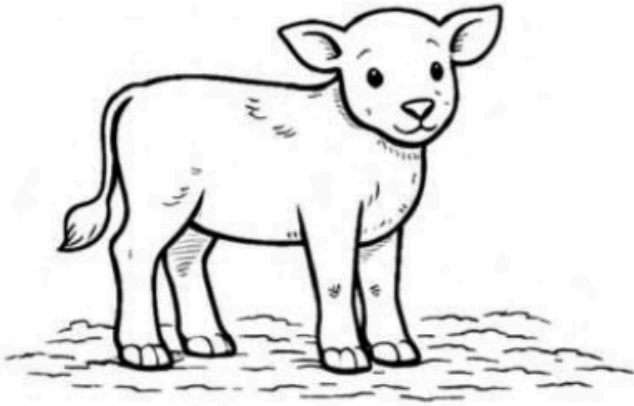

Farmers shear sheep in the spring to collect wool for making sweaters and socks.

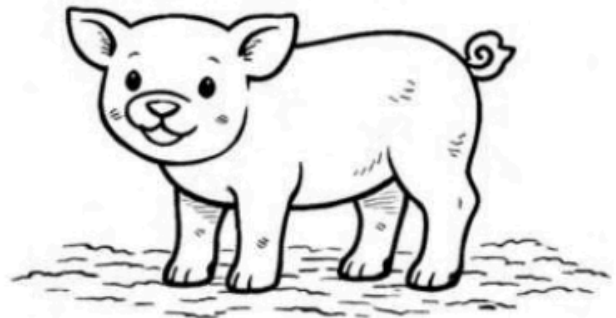

Michigan Agritourism

Baby animals have special names!

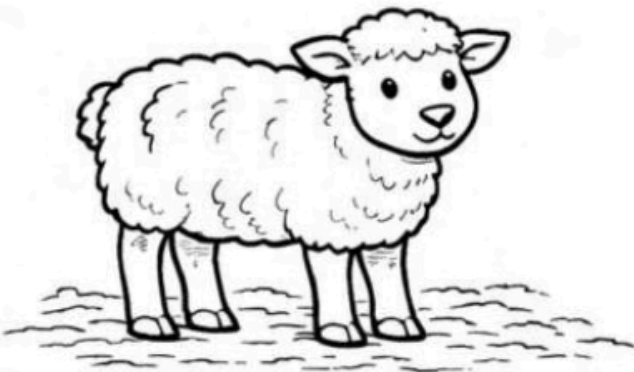

A baby cow is called a **calf**.

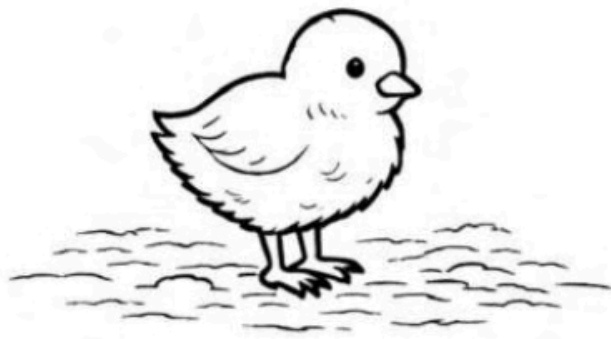

A baby pig is called a **piglet**.

A baby sheep is called a **lamb**. A baby goat is called **kid**.

A baby chicken is called
a **chick**.

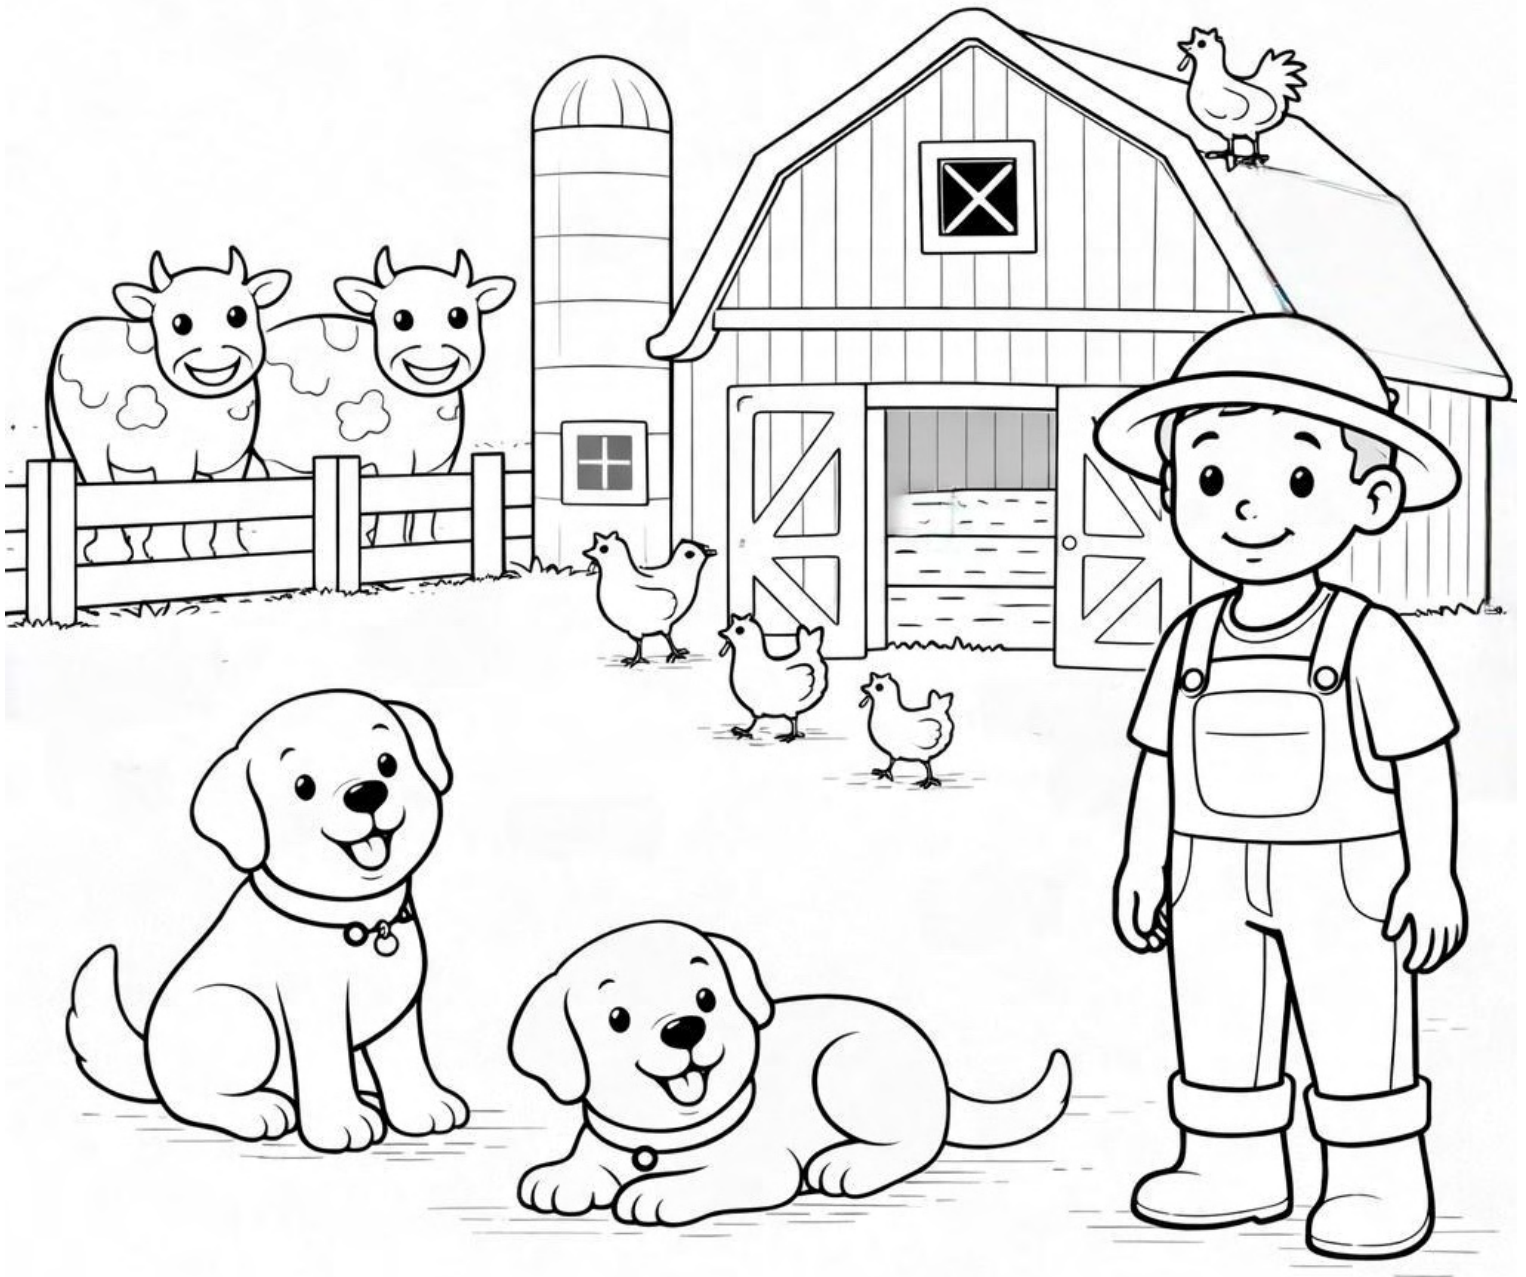

A baby horse is called
a **foal**.

Farm dogs keep animals safe.

Farm dogs guard animals, bark
when there is danger and chase predators away.

Michigan Agritourism

There are a lot of fun
things to do on the farm!
